

Georgia Tech has many resources for students on campus - **no matter who they are or what they are struggling with**. Below is a list of some of these resources and how to take advantage of them.

### **Georgia Tech Departments**

#### [The Counseling Center](#)

Students at Tech qualify for 16 free counseling appointments on campus. Our licensed counselors specialize in working with college students. Our center is located on the top floor of the Smithgall Student Services (Flag) Building. Appointments can be made by phone or in person.

404-894-2575

#### [Dean of Students Office](#)

The Dean of Students provides support to all students at Tech. Students dealing with emotional, physical, or financial issues can request to meet with a Dean to discuss the problem at hand. The Dean of Students also has an anonymous referral form on their website for members of the Tech community who are concerned about a fellow yellow jacket.

#### [Psychiatry](#)

The Psychiatry clinic at Tech is located in the Stamps Health Services building. To make an appointment call 404-894-2585.

### [Campus Recreation Center](#)

The CRC serves the Tech community by inspiring and promoting a healthy lifestyle through diverse, quality recreational opportunities and services to enrich the mind, body, and spirit while enhancing lifelong learning.

### [Center for Academic Success](#)

The Center for Academic Success provides services to students seeking to succeed academically. They offer a variety of resources from free tutoring to coaching on test anxiety. To make an appointment, visit their website <http://success.gatech.edu/>.

### [Provost Office](#)

The Provost at Tech is responsible for providing a supportive academic environment at Tech. They serve as a liaison between faculty and students. If you are having an issue with a professor, you can anonymously fill out the [academic grievance form](#) to ensure the problem is addressed. For graduate students, the provost offers [the faculty & graduate student ombuds program](#).

### [Financial Aid](#)

Georgia Tech's Financial Aid Office exists to help students navigate their finances while studying. Each student is assigned a financial aid advisor- they offer walk-in hours Monday - Friday from 9:30 am - 4 PM. The office is located on the 3rd floor of the Bill Moore Student Success Center (connected to Bobby Dodd stadium). Both the Financial Aid office and the Dean of Students office also offer emergency loans for students with unforeseen tribulation through the [Emergency 30-Day Loan Program, the Medical](#)

[Assistance Fund and the Dean Griffin Hip Pocket Fund](#). Several student initiatives also seek to help students going through financial hardship, such as [Kelmis Kitchen](#) for students in need of meals, and [Campus Closet](#) for students in need of professional attire.

### [VOICE - Sexual Violence Prevention & Response](#)

VOICE is a campus-wide initiative founded on the premise that everyone has the right to live and learn at Georgia Tech, free of violence or the threat of violence. This initiative seeks to create a campus culture that promotes respect, communication, and equity among the Georgia Tech community. The [Women's Resource Center](#) at Tech also has a victim advocate on call 24 hours a day 365 days / year. 404-385-4501

Sexual Assault Information: 404-894-9000

Grady Rape Crisis Center: 404-616-4861

### [Career Center](#)

The Center for Career Discovery & Development advises students on finding internships, co-ops, and full time jobs. Each student has an advisor designated to help them with the process. If a student is unsure about what they want to pursue a career in, they can speak with a Career Development Advisor. Students can make an appointment through CareerBuzz or come during walk-in hours Tuesdays & Wednesdays 2-4 PM.

### [Health Promotion](#)

Health Promotion exists to educate students on healthy behaviors - from alcohol use to sexual behavior. Health Promotion has a nutritionist on staff that students can meet with for just \$5. To make an appointment to discuss healthy eating, gaining or losing weight, or general nutrition call 404-894-9980.
